

COVID-19 Safe Plan

We take the health and wellbeing of our people, clients and the broader community seriously. We are doing everything we can to protect our people and the community while continuing to support and service our clients at our normal high standards.

Our workplaces

- We follow Government Health directions for density quotients and mask wearing.
- Our offices are set up to promote physical distancing.
- We have increased cleaning of high touch points.

Our approach

- Our HW Evolve principles support a hybrid working environment. This allows our people to work from home if unwell or self-isolating.
- We continually review our policies in line with government guidelines.
